

# Leave them your retirement savings

## It's almost as good as the secret recipe

It's easy to make sure your retirement plan assets go to the people you want by naming them as beneficiaries of your account. When you add a beneficiary, your assets go directly to them when you pass away, skipping a costly and lengthy court process, and helping support them during a tough time.

If life circumstances change, your choice of beneficiaries may change. Remember to keep your beneficiary information up-to-date.

Your beneficiary doesn't have to be a family member.<sup>1</sup> You can add almost anyone as long as you know their:

- Full legal name
- Date of birth
- Social Security number
- Phone number
- Address

 It's easy — sign in, go to *Account*, click on *Overview*, click on *Beneficiaries*.
