

GROUP BUY-UP LONG TERM DISABILITY INSURANCE

Protect your income while coping with a long-lasting disability.

Long Term Disability insurance may help protect your income if you can't work and don't get your regular paycheck.

You can get help returning to work when you're ready. This Long Term Disability coverage includes incentives and assistance to help you get back to work. The Standard may also help pay the costs of modifying your workplace to accommodate your needs.

Long-term disabilities can be caused by accidents but also by illnesses such as cancer and heart diseases. How many paychecks could you miss? **Long Term Disability insurance can help you maintain your lifestyle and pay for things like:**

Long Term Disability Insurance

What Your Benefit Provides

This is the amount per month you would receive if you experience a qualifying disability. Eligible earnings are your monthly insured predisability earnings, as defined by the group policy. Your monthly benefit will be reduced by deductible income. Please see the Important Details section for a list of deductible income sources.

You may be insured under the base plan or the buy-up plan, but not both. You will become insured under the base plan unless you are insured under the buy-up plan. If you cease paying premiums for the buy-up plan, you will automatically be insured under the base plan.

Base coverage provided by Stifel Financial Corp. at no cost to you

During the first 36 months of the maximum benefit period:

50% of your eligible earnings, reduced by deductible income.

Thereafter during the maximum benefit period:

20% of your eligible earnings, reduced by deductible income.

Maximum benefit amount: \$3,000

Plan minimum per month: \$50 or 15% of the Long Term Disability benefit.

Buy-up coverage you can purchase, paid for by you

60% of your eligible earnings, reduced by deductible income.

Maximum benefit amount: \$10,000

Plan minimum per month: \$50 or 15% of the Long Term Disability benefit.

When Your Benefits Begin

If you experience a qualifying disability, your benefit waiting period is the length of time you must be continuously disabled before you become eligible to receive your monthly benefit.

Additional Features

Help With Returning To Work

This plan provides incentives to help you get back to work. For instance, you'll get help paying for some of the expenses associated with participating in an approved rehabilitation plan.

If a worksite modification would enable you to return to work, the coverage can help your employer make approved modifications.

You may also be eligible to receive an additional benefit of 10% of your predisability earnings for participating in an approved rehabilitation plan, subject to the plan maximum.

Survivors Benefit

If you die while receiving benefits, your survivor may be eligible to receive a one-time additional payment.

Family Care Expense Benefit

Applies if you are disabled, returned to work and continue to receive Long Term Disability benefits. For 24 months, your calculated work earnings will be reduced by a portion of qualified expenses (up to \$250 per dependent or \$500 per family, per month).

How Much Your Coverage Costs

Your base policy is paid for by Stifel Financial Corp. and costs you nothing. If you choose to purchase buy-up coverage, you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck.

How much your premium costs depends on a number of factors, such as your age and benefit amount.

Use this formula to estimate your monthly or semimonthly premium payment for your buy-up coverage:

$$\begin{array}{c} \text{Enter your monthly earnings} \\ \text{(cannot be more than \$16,667} \\ \text{during the first 36 months and} \\ \text{\$50,000 thereafter).} \end{array} \times \begin{array}{c} \text{Enter your rate from the rate} \\ \text{table.} \end{array} \div 100 = \begin{array}{c} \text{Monthly premium: This amount} \\ \text{is an estimate of how much you'd} \\ \text{pay each month.} \end{array} \text{ ---> } \begin{array}{c} \text{Semimonthly premium: Take your monthly} \\ \text{premium, multiply by 12 months, and divide} \\ \text{by 24 pay periods. This is your semimonthly} \\ \text{premium.} \end{array}$$

| Your Age (As of January 1) | Rate % |
|-------------------------------|--------|
| <25 | 0.022 |
| 25-29 | 0.054 |
| 30-34 | 0.095 |
| 35-39 | 0.150 |
| 40-44 | 0.215 |

| 55-59 | 0.564 |
